SPATIAL DESIGN

A multidisciplinary design firm that collaborates, connects and communicates with passion to offer a comprehensive spatial experience to users. Diverse portfolio offering professional consulting in Architecture, Engineering, Planning, Urban Design, Landscape, Sustainability, Interiors, Research and Art. INI stands for ideas that are driven by a number of I's - Inquiry, Imagination, Innovation, Inspiration, Inclusiveness. But most importantly, it stands for Integrated Ideas, referring to the integrated and collaborative nature of our practice and out of the box design ideas.
